## **About Penang**

Penang, the Pearl of the Orient, is an island off the northern part of the west coast of Peninsular Malaysia by the Strait of Malacca. The name Penang comes from the Malay word Pinang, which means the betel nut tree (*Areca catechu*). The name Pulau Pinang translated literally from Malay means "betel nut island".

Penang is made up of a 292 square kilometers turtle-shaped island and a strip of 48 kilometers wide area called Seberang Perai on Peninsular Malaysia. Rich in a variety of so many elements such as culture, food, heritage, history and lifestyle, Penang is full of treasures to be discovered. One example is Chingay, an act of balancing a 35ft to 40ft giant flag, which cannot be found elsewhere in the world but in Penang.

Renowned travel guide publisher Lonely Planet has listed Penang as the top culinary spot for 2014 and Penang Asam Laksa was ranked 7<sup>th</sup> in CNN's World Top 10 Yummiest Food. The discoveries of Penang are endless and always enjoyable. Such a gem is Penang that there is something here for everyone because Penang does indeed have it all.
