Experience life as a UK or an Australian student, allowing you to grow academically and have a cultural experience of living in the UK or Australia for one semester. It provides you with the opportunity to add value to your profile and your future employers will likely consider your international study experience to be very valuable.

Benefits of the study abroad programme

The study abroad programme will add value to your educational experience which will offer you a number of unique personal advantages, as follows:

- Be taught by a variety of highly qualified UK or Australian academics;
- Improve your intercultural competence by engaging with other international students;
- Build your academic knowledge and your professional skills to improve your career development;
- Enhance your profile on your CV;
- Strengthen your English language and communication skills;
- Experience a UK or an Australian style of teaching and life.
